Accommodation

English: The interior of the Carter 42 has two double cabins, two aft and one in the bow, two full bathrooms, and a large dining room with an integrated kitchen along the port side.

Spanish:

El interior del Carter 42 cuenta con dos camarotes doble, dos en popa y uno en proa, dos baños completos y un gran salón comedor con cocina integrada a lo largo del lateral de babor.

Remarks :

Spanish: Diseñado por Rick Carter a finales de los 70s el Carter 42 es un barco que se adapta a la perfección la combinación crucero-regata. Amplio y cómodo en su interior, pero pensado para dar la talla en cualquier competición.

El Cabanyal es un barco ideal para aquellos que busquen entrar en un proyecto de restauración y hacerse suyo un barco de marcado carácter que marco una época y del que no se hicieron tantos modelos debido a que en su momento era un barco de lujo.

El casco necesita de un buen repaso estético, pero no presenta defectos graves ni indicios de ósmosis y el motor funciona perfectamente.

Un barco ideal para alguien que le quiera limpiar la cara y disfrutar de un clásico con mucha personalidad con una distribución ideal para chárter o grandes travesías.

English: Designed by Rick Carter at the end of the 70s, the Carter 42 is a boat that perfectly adapts to the cruise-regatta combination. Spacious and comfortable inside, but designed to measure up in any competition.

The Cabanyal is an ideal boat for those looking to enter a restoration project and become their own boat with a marked character that marked an era in which not so many models were made because at the time it was a luxury boat.

The hull needs a good aesthetic revision, but it does not present serious defects or signs of osmosis and the engine works perfectly.

An ideal boat for someone who wants to restore it and enjoy a classic with a lot of personality with an ideal layout for charter or long voyages.
