Remarks :

Manufactured by Nautic Saintonge, the Rorqual 44 is a robust, seaworthy and reliable Transatlantic Sailboat that has delighted great sailors for decades. In these boats the most important thing is maintenance and this one is ready to sail long distances thanks to all the

refits carried out.

The entire electrical system has been renewed, from the batteries to the last cable, it has a new Sole diesel engine with barely 300h, all the renewed YAHIS teak (2017), renovated and expanded stainless steel parts, (2017) renovated through hulls and seacocks (2017), all water system tubes renewed (2017), Volvo axle horn renewed (2017). The owner really took care of this boat and made big renovations in the last two years for a comfortable and safe life on board.

Complete electronic equipment including AIS.
The rigging was renewed 6 years ago.
Last antifouling and change of anodes in 2021
Transoceanic A-rated hull.

Spanish:

Fabricado por Nautic Saintonge el Rorqual 44 es un Velero Transatlántico robusto,marinero y fiable que ha hecho las delicias de grande navegantes durante décadas.

En estos barcos lo más importante es el mantenimiento y el angry wife está a punto para navegar largas distancias gracias a todos los refits realizados,.
