Broker Remarks

Accommodation

Monte Carlo MCY 65 offer 3 cabins and one crew cabin. All cabins are en-suite and fitted to a high standard. In the owners cabin is a 32" LED TV with DVD player, fitted safe, en suite facilities and ample storage space. There are a further 2 cabins, the VIP and a twin cabin, both are fitted with 26" LED TV with DVD players and have en suite facilities. The main saloon features a 40" LED with Bose surround sound home theatre system on a lift which retracts into the furniture when not in use. Connected to the satellite TV system. Radio and CD players for the bow and aft areas.

The main saloon features teak flooring and this theme is carried out on the aft deck, side decks, platform and fly bridge. The flybridge offers a dining and sun bed area served by the bar with features a sink, BBQ, fridge and icemaker.

Mechanical

Monte Carlo MCY65 powered by reliable and economical twin MAN V8 diesels each pushing out 1200hp with only 695 hours. Upgraded 20KVA generator from standard 9,5kva, Full European air conditioning including the crew quarters. Fitted with both stern and bow thrusters, the Yacht controller system makes for easy docking and handling by the owner or crew alike. Engine oil change system with double Racor filters for the engines and the generator also fitted with a Racor filter system. For safety a automatic fire fighting system protects the engine room and gives peace of mind. For extended cruising the 110liter an hour water maker makes this Yacht self sufficient. Fitted with a recessed hydraulic passerelle. The hydraulic up/down tender platform is fitted with a cradle for the tender and doubles as a bathing platform as well as making launching the tender a simple operation.

The Inventory is extensive with several upgrades to the normal specification;
