Mechanical and Rigging

Sails and Spars

“Roskilde” is sloop rigged, wooden mast (2012), wooden boom (2017). 8mm stainless steel standing rigging replaced in 2002. Running rigging replaced in 2012. Slab reefing with Stackpack, furling headsail.

Winches

- 4 x Sheet winches (Lewmar 40's)
- 2 x Halyard winches

Sails

- 1 x Mainsail (good condition 2007 cream)
- 1 x Genoa (good condition 2009 cream)
- 1 x Lazybones (Multi coloured)

Mechanical Systems

The McGruer is powered by a 1986 Yanmar 3GM 27hp three-cylinder diesel engine, located beneath the cockpit sole, with single lever controls, serviced annually by the owner. Shaft drive to a 3-bladed fixed propeller. Stainless steel fuel tank with a 25-gallon fuel capacity.

Electrical Systems

2 x 12 volt batteries (2014 and 2016, 120Ah) charging from the engine alternator. Shore power connection, with 240-volt ring main.

- Named cockpit dodgers
- 4 x Mooring warps
- 4 x Fenders

Accommodation

"Roskilde" offers four berths in 2 cabins. A forward vee berth with lighting and storage, marine Lavac toilet to starboard, with stainless steel vanity basin.

The main saloon offers two single berths to port and starboard. It has a centrally placed saloon table, as you would expect in a very traditional wooden interior. The saloon has been very well kept, with lots of surrounding storage space. The Galley to port equipped with a two-burner gas hob, grill and oven, stainless steel sink with pressurised water supply, with the fridge located on the starboard side. Navigation area to starboard. Cabin headroom 5'10" down to 5'8".

Remarks :

1974 McGruer Bermudian Sloop Now £12,000

"Roskilde" is a **McGruer Bermudian Sloop**. "Roskilde" was designed by John Russell for Dr R Raynes and Lady R Raynes; two have been built to the same design, the first being for himself which is now in New Zealand. The second "Roskilde" was built in 1974 by McGruers of Clynder Scotland and was extensively cruised by Mr & Mrs Raynes to northern Europe, the Baltic, Russia, St Petersburg, and Iceland.
