The **Catalina 28 MkII** is a spacious family cruising yacht with the desirable shallow draft wing keel, perfect for exploring local waters. Surprising accommodation with very good inventory including hot and cold showers, holding tank, large galley and plenty of storage. Featuring a modern design with a walk-through transom, wheel steering and many innovative features she is well worth considering. A very good example well presented, one owner from new. **Price reduced to reflect the yacht will require new sails**
