Construction:

Hanse 341 built-in 2004 by Hanse Yachts to a Judel and Vrolijk design. Off-white GRP hull with style stripes. Off-white GRP superstructure and decks with non-slip surfaces. Teak laid cockpit seats. Cast iron shoal draft fin keel. Wheel steering to spade hung rudder with an emergency tiller system. Self-draining aft cockpit. Last out of the water in April 2018 when anodes were checked.

Accommodation

The Fore cabin has a generous double V berth, hatch to the foredeck and large lockers to

port and starboard. The Saloon consisting of an L-shaped settee and dining table to starboard with twin seats either side of the chart table opposite to port.

Remarks :

"Freyja" is an excellent example of the popular Hanse 341 which offers an excellent combination of comfortable accommodation, race-winning performance and easy short-handed sailing. She is very well equipped including diesel heating, electric anchor windlass, chart plotter with AIS and much more, and has the sought after shallow draft keel. Presented in almost 'as new' condition and including a full inventory ready to cruise away so early viewing is highly recommended
