Memory 19 Open

Broker Remarks

The Memory 19 is a traditional gaff rigged day sailer built in fibreglass with a coachroof and large cockpit, giving two berths below. She has very pretty lines but with a modern design inspired by the Brightlingsea fishing smacks.

'Florence' is set up for single handed sailing by her one owner. The Memory 19 is also very popular for many of the 'old gaffer' races with over 120 already built. Owned by the current owner for the last four years and presented in good order. Available with a trailer

Accommodation

Two berths in single cabin.
