Mechanical and Rigging

Mechanical systems:

Located under the cockpit floor are two Volvo AQAD41A 6 Cylinder 200HP each Turbo diesel engines. Port engine has run for 588 hrs and the starboard engine 584 hours as at 9th November 2018.

The engines were last serviced by the current owner in August 2018 when the outdrives were also serviced, and the bellows changed. With a clean hull, she will cruise at 20 knots and deliver a maximum speed of 35 knots. She is easily handled with the twin engines and aided by the Vetus Bowthruster. Bennett electric trim tabs have also been fitted. She will hold 500 litres of fuel in her single aluminium fuel tank giving a range of approx 175 nautical miles.

Electrical systems:

5 x 12V batteries (2 x Engine 2 x Domestic and 1 X Bowthruster) charging from engine alternator, solar panel and via a Sterling Charger/Conditioner via 240V shore power system. She is also fitted with a 240V immersion heater.

Remarks :

1989 Sunseeker Portofino 31 Now £34,950

This beautifully presented and well maintained Classic 1989 Sunseeker Portofino 31 with her blue hull band and accents looks stunning. She is fitted with the ever-popular Volvo Penta AQAD41A (200hp) 6 Cylinder Turbo Diesel Inboard Engines with Aluminium Duo Prop, bowthruster and trim tabs. This Sports Cruiser was refitted in 2000. Well worth travelling to see as this boat which was fully refurbished by her previous owner, a professional ships engineer, including full rewiring in marine cable, fully replumbing, engines removed overhauled and repainted, installation of a Vetus bowthruster and replacement of the cockpit upholstery by Toomer and Hayter. The berth in Gillingham Marina is also available. The

vessel has been owned by the current owner since 2011
