

Island Plastics Island Plastics IP24

Year: 1980
Location: Gillingham
LOA: 24' 0" (7.32)
Beam: 9' 3" (2.82)
Draft: 5'

Remarks:

1980 Island Plastics IP24 motorboat. Inspected and found to be in good condition.

Canoe stern demonstrates the trawler motor. Now an executor sale and needs some work and very sensibly priced.

Mechanical and Rigging

Sails and Spars

Sloop rigged with masthead main, anodised mast and boom, stainless steel standing rigging, adjustable backstay, Terylene running rigging, mainsail roller reefing, furling headsail.

Sails:

1 x Mainsail

1 x Foresail

Mechanical Systems

The Island Plastics 24 is powered by a Yanmar 2QM15 15hp two-cylinder diesel engine, unfortunately the service history is unknown. Shaft drive to a 3 bladed propellor. Single lever control.

Electrical Systems

12-volt electrical system batteries charging from the engine alternator. 240-volt shore power connection.

Accommodation

The layout of this **Islands Plastics 24** four berths in 2 cabins with a headroom of 5'8". Simple layout with the wheelhouse encompassing the helmsman's position above the engine box. To starboard is the galley area with a Flavel, 2 hob, oven and grill, with stainless steel sink. Going

forward the main cabin incorporates a heads enclosure to starboard and two single berths.

Remarks :

1980 Island Plastics 24 £7,995

This **Island Plastics 24** with her high bow and canoe stern demonstrates the trawler inspiration behind this chunky but compact sea going boat. Sadly, she is now an executor sale and needs some attention to paint and varnish due to a year of neglect. Spacious boat and very sensibly priced.
