Mechanical and Rigging

Mechanical Systems

Located beneath the companionway steps is a Yanmar 3YM20 three cylinder 21hp diesel engine. It has an electric start and is freshwater cooled via a heat exchanger. It has a Shaft drive to fixed pitch three-bladed propeller. Single lever engine control. It has a 50-litre fuel tank giving approximately a 200-mile range at 6 knots cruising speed. Maximum speed under power 7 knots.

Electrical Systems

The alternator charges to 2 x 12-volt 80AH domestic batteries, 1 x 12volt 80AH engine battery. It has a 240-volt shore power system with a battery charger and Immersion heater.

Sails & Spars

Fractionally rigged sloop with anodised aluminium mast and boom. Stainless steel standing rigging (2009). Terylene running rigging. Single line slab reefing to Mainsail. Lazyjacks. Profurl headsail furling system. All lines are led aft to cockpit. Two Harken 32 self tailing sheet winches. Harken 16 self tailing control line winch. Spinnaker deck fittings. Selden Gas Rod kicker with line led aft to cockpit,

- Mainsail - Fully Battened in Fusion MX Cruising Laminate - Quantum - Sept 2010
- Furling Genoa - in Fusion MX Cruising Laminate - Quantum - Sept 2010
- Asymmetric Spinnaker - Quantum Vision 5 with running gear, snuffer, launch bag and tack strap - 2010
- Mainsail - 2009 - Good
- Furling Genoa - 2009 - Good

Construction

Built by Jeanneau yachts in 2009 to a design by Marc Lombard. White GRP hull with style stripes. Teak toe rails. White GRP superstructure with moulded non-slip to decks. Fin keel. Spade hung rudder. Wheel steering. Aft self draining cockpit. Self draining anchor stowage locker. Stainless steel pulpit, pushpit, stanchions and guardwires. Teak coachroof grabrails. Owned by the current owner since 2015. A copy of the 2015 survey report is available upon request.

Accommodation

The Jeanneau Sun Odyssey 30i offers six berths in three cabins.

In forward cabin, there is V-berth with an infill, a hanging locker and an opening hatch to foredeck.

In the saloon, there are two single settee berths and a central fixed table with drop leaves. The Chart table is to port with the galley opposite. The galley has a stainless steel sink with a pressurised hot and cold water system. (160 litres freshwater capacity), a refrigerator, a two burner Dometic gimbaled gas hob, oven and grill(new 2015) and lots of storage space. Aft and to port is a separate heads compartment with marine toilet with holding tank, shower and washbasin and a wet locker hanging space.

The aft cabin, which is to starboard, has a double berth with a hanging locker. The aft cabin has an opening portlight. The yacht benefits from diesel cabin heating that was fitted in

2016.

There is a large cockpit for a boat of its size with ample locker space, cockpit table and cold water cockpit shower.

Remarks :

2009 Jeanneau Sun Odyssey 30i £47,500

"Natsumi" is an excellent example of the **Jeanneau Sun Odyssey 30i**, fully equipped and ready to go. She benefits from laminate Mainsail, Genoa and Asymmetric Spinnaker by Quantum Sails. The Jeanneau 30i is a great family cruising boat with the benefit of diesel cabin heating, with good performance and practical interior design. Well worth an early inspection.
