History and Construction

Arvor 215AS built by Arvor in 2006 to their own design. Burgundy GRP semi-planing hull with protective skeg, cream superstructure and decks with moulded non-slip surfaces. Large self-draining cockpit with ample storage lockers and aerated live bait well. Teak fold down bench seats. Walk-through transom to moulded bathing platform.

Accommodation

Offset wheelhouse to port with twin removable helm and navigators' seats to starboard and a compact galley area to port consisting of a single burner gas cooker, and storage cupboard. L-shaped seating area forward which converts into a double berth with storage. Long storage area to starboard ideal for storing rods, equipment and clothing. The large cockpit has a wide, deep walkway to the foredeck to starboard, folding teak bench seats, rod holders, large lockers, excellent engine access and a walk-through transom to the bathing platform.

Remarks :

2006 Arvor 215 AS £17,500
