Construction

Aquastar Ocean Star 38 moulded by Aqua-Star Ltd in 1986 and fitted out by Custom Yachts, Southampton. Blue Awlgrip painted GRP semi-displacement hull (copper coated) with long keel profile, varnished teak chine rails and substantial rubbing strakes. White GRP superstructure with blue Awlgrip painted styling stripe, flybridge and varnished teak trim. Grey Treadmaster non-slip deck surfaces. Dual helm wheel steering to twin rudders. Folding radar arch.

Tolerance has been maintained and updated by the current owner including many cosmetic and practical upgrades and the previous owner who had the boat for 13 years. These include electronic throttle controls, navigation upgrades, safety improvements including various alarms and improvements, steering gear modifications, replacement props and shafts, fitting soft start and preheating devices, filter contamination alarms and various cosmetic upgrades. The owners have developed a very friendly detailed User Manual for the boat which is available. Last out of the water August 2019 when anodes were changed. Selling as moving up to a large motorboat.

Accommodation

The Aquastar 38 layout offers up to six berths in four cabins, with two double sleeping cabins away from the main accommodation. All cabin lights have been upgraded to LED
