Construction

Coastline has been building ribs in the UK for over 20 years. They continue to serve the demanding requirements of the commercial, professional and leisure sectors. Their hulls are characterised by the deep 'V' design and are renowned for their impressive sea keeping performance, their soft ride and excellent handling in all conditions. They have earned an invaluable reputation from professionals and are regarded 'Best in class' by many leading rib test drivers. The Coastline range of RIB's consists of 10 models from 5 to 10 meters LOA with a flexible range of consoles, seating, and storage lockers including cabin options.

Accommodation

Remarks :

2

This 2012 Coastline 8.5 is in excellent condition with only 500 hours use in fantastic condition. Fast, economical and very capable of handling the rough stuff, this Coastline 8.5 would make a great crew boat/dive boat and offers loads of fun for family and friends. Her helm is well equipped with VHF, Colour Plotter & Engine Instruments as well as class A. This vessel was

actually commissioned and used to take officials up and down the Thames in the 2012 Olympics.
