Hull

Twin Hull

History and Construction

Powercat 40's renowned for their seagoing capabilities and stable work platform. GRP construction yellow hull with white superstructure. Self-draining non slip decks. This boat is coded for 12+2 and ready to go.

Accommodation

Large wheelhouse which can accommodate up to 6/8 people, dedicated helm seat with full instrumentation and controls. It also has a wheelchair lift fitted in the driving position so wheelchair users can steer and manoeuvre the boat. Small table, seating can be arranged to form a double bed. Full galley area with electric hob, fridge, microwave, grill, stainless steel sink with worktop.

Wheelchair ramp to starboard. Very large deck area with bench seating with bait table and numerous rod holders. Access to a disabled sea toilet which is accessed from the deck area, storage lockers. High stainless-steel handrails around gunwales for added safety.

Remarks :

2009 Powercat 40

This is a fantastic boat, built to an extremely high standard. She can be used for Angling Charters but would also make a good vessel for Diving Trips and Wildlife Cruises. With added access for disabled people and fully fitted out for disabled people. She boasts lots of unique features. This boat is VAT exempt.
