## History and Construction

Built in 1991 in Holland the **Vrijbouter 1280** is of steel construction with a semi displacement hull, with painted white hull and superstructure, teak decks. The current owner used the boat on the French canals in the south of France. The boat is currently back in the UK for sale.

## Accommodation

The **Vrijbouter** offer 6 berths in 3 cabins on entering the saloon via the port or starboard side doors you have a large open plan saloon with two sofa berths finished in grey upholstery to port and starboard, a large two leaf table occupies the central area, part carpeted. Helm to port with full instrumentation. Fully equipped galley to starboard, gas hob with four burners, Panasonic combi microwave and full oven, fridge/coolbox can be converted to either, washing machine. Access from the galley area to the forward cabin with full vee berth, with wardrobe, marine heads, and small sink. Aft cabin with full walk around island double bed, two full length wardrobes with surrounding storage areas, with electric heads with holding tank to starboard, and shower with vanity unit to port. Throughout the boat there is a lot of storage areas. Heated throughout via an Eberspacher diesel heating system, also a mobile air conditioning unit. The large aft deck, then a couple of steps up to the flybridge with three seats and two storage boxes, and more space for relaxing and sunbathing.

## Remarks :

### 1991 Vrijbouter 1280/44

Space is the keyword for this Dutch steel-built motorboat. This **Vrijbouter 1280** is an ideal family cruiser with lots of space inside and on the decks, with large flybridge, with teak decking. Would make an ideal liveaboard. Viewing highly recommended.
