### Remarks:

This Kliever 11 was built by KCS Marine production Ltd in Northfleet Kent. She was launched in the summer of 1980. She has been out of the water ashore at Swale Marina in Kent for approximately the last 15-20 years. An initial inspection of the hull looks to be good but she requires a complete internal fit out and some work is required to the rear steel deck. This yacht is being sold as seen.
