Mechanical and Rigging

Mechanical Systems:

Under the cockpit floor are two 4.3 L 220 HP Mercruiser engines with approx. 720 hours as at 12th October 2021. The engine bay had new blowers fitted in February 2020 and the outdrives were serviced in June 2019 when the bellows were also changed. The stern drives are Alpha 1. The engine was last professional serviced in July 2021. She is fitted with trim tabs. The boat with a clean hull will cruise at 20 knots and has a maximum top speed of 30 knots. New fuel gauge and sender fitted in May 2021

Electrical Systems:

The boat is fitted with 2 x 12V domestic batteries and 2 x 12v engine start batteries all new in 2017. Batteries are charged by 240V shore power battery charger and engine alternator.

History & Construction:

This sports cruiser has been owned by the current owner since May 2021, and is being sold as he just does not have the time to use it. A full survey was undertaken at the time of purchase and the recommendations have been completed. The boat has had three previous owners. The boat was last out of the water in May 2021. Owner is open to offers. A berth in Chatham Marina, Kent is also available.

Accommodation

This Regal 2660 Commodore offers comfortable and spacious accommodation for a boat of its size.

Saloon: The saloon has a large U-shaped seating around the dining table that drops and converts to make a large double berth. There is a stereo/cd player in the saloon with speakers also in the cockpit area.

Galley: To port is the galley with a sink unit with hot and cold pressurised water, fridge with ice box new 2017, microwave, two burner meths/electric hob.

Heads: Opposite and slightly aft of the galley is the heads compartment with a marine sea toilet and holding tank with electric pump out. It has a shower and basin with pressurised hot and cold water, a vanity unit with a mirror and storage.

Mid-cabin: Under the cockpit sole is the mid-cabin which has a large double berth with port hole which makes it feel light and airy with a curtain to divide it from the main cabin.

Cockpit: Aft of the saloon is the main cockpit area with a large helms seat with an array of instruments and a very comfortable passenger seating area. The passenger seats fold to form a sun-bed or extra occasional double berth. It has a wetter with cool box and sink with pressurised hot and cold water. A door leads on the the transom platform that has some storage and a transom shower.
