

DEB 33

Year:	1972	Heads:	1
Location:	Swale	Cabins:	2
LOA:	33' 4" (10.16m)	Berths:	7
Beam:	12' 4" (3.76m)	Keel:	Centerboard
Draft:	7' 0" (2.13m)	Engines:	1

Remarks:

1972 Deb 33 The Deb 33 designed by Sparkman & Stephens, built by Tylers of Tonbridge is a shoal draft sloop ideal for sailing in shallow waters. She is beamy at 10'4" but draws a modest 4'0" with the plate up, but this is nevertheless sufficient to permit her to be handled normally to windward – an important feature.

Traditional full keel with centreboard, tiller steering.

History and Construction

The DEB 33 designed by Sparkman & Stephens, built by Tylers of Tonbridge, shoal draft sloop ideal for sailing in shallow waters. She is beamy at 10'4" but draws a modest 4'0" with the plate up, but this is nevertheless sufficient to permit her to be handled normally to windward an important feature. With the plate down drawing 7'0" this extra 22sq ft of keel gives her a sharp windward performance. Below the DEB 33 offers full standing headroom with six comfortable berths and a pilot berth.

Accommodation

Below the **Deb 33** offers full standing headroom with six comfortable berths and a pilot berth. 7 berths in 2 cabins with 6'2" headroom. Forward V berth cabin with storage underneath berths. Saloon has 5 berths 1 pilot berth to port, saloon settee that converts to double berth, single berth to port and quarter berth. Storage space above and below berths. Heated throughout via an Eberspacher diesel heater. The forepeak also provides the space for the heads with marine toilet, washbasin. Hanging storage space is also provided in this forward area. Galley is to starboard with stainless steel sink, with pressurised cold freshwater supply, fridge, 2 burner Nelson cooker with oven and grill.
