Fin Keel, Wheel steering, Skeg hung rudder

Accommodation

The accommodation offers up to six berths. In the fore cabin a V-berth with infill and storage underneath. Opening hatch to deck. In the saloon are two settee berths. The starboard berth converts to a double. The engine located under the Saloon table is easily accessed.

The Galley is off to port and has a two burner gimbaled gas cooker with grill and oven. Stainless steel sink with manually pumped water supply. 25-gallon freshwater capacity. Cool box. There is a separate heads compartment to starboard. It has a marine toilet and washbasin. There is a useful storage area under the cockpit behind the companionway.

Remarks :

The **Maxi 95** is a very cleverly designed family cruiser. It is from the design board of Pelle Petersen.

The Maxi 95 is easily handled, with good performance, and has a light and airy interior. It has two double sleeping cabins which are separate from the main accommodation. The price of this yacht has just been reduced as she needs a replacement alternator and insulation around the engine bay and an engine wiring loom following an electrical short which caused the alternator to overheat.
