Accommodation

The Seamaster Super 30 offers four berths in two cabins. The aft cabin has been converted for more seating will accommodate one person sleeping, with a hanging locker to starboard, dressing table. It has an ensuite heads compartment with a marine toilet (180 litre holding tank) and sink with pressurised cold water.

In the Wheelhouse the helm is to Port with a folding pilot seat, full instrumentation and controls. There is a bench seat aft to port and starboard with lockers beneath.

Steps take you down to the saloon with a dinette to port which can easily seat 4 people. and galley opposite. There is a drinks cabinet which forms part of the dinette.

The galley is equipped with a 2 burner electric hob with grill, with lots of storage lockers. The sink (not fitted) with pressured cold water.

Forward of the saloon is the forward cabin that has a V berth and a hanging locker for storage of cloths etc.

Mechanical

MECHANICAL SYSTEMS

This Seamaster Super 30 is powered by twin Perkins 4108 naturally aspirated diesel engines with shafts leading to three bladed bronze props. She has single lever controls. She has twin fuel tanks storing approximately 360 litres of fuel. She has a maximum speed of approx 14 knots and will cruise at 9 knots. Last out of water maintenance July 2021.

ELECTRICAL SYSTEMS

4 x 12V batteries (2 x engine and 2 x domestic) charging from engine alternators and via 240 volt shore power battery charger. There is a 240 volt ring main system with plus in most cabins.
