History & Construction:

Built by Marine Projects (Plymouth) Ltd in 1989. This Princess 330 has a white GRP hull with style stripes and white superstructure.. The white GRP coach roof has moulded non skid decks. It has a self draining aft cockpit with teak decking and seating. Stainless steel safety rails. A large swimming platform with teak gratings. Ladder to flybridge with second helm position and seating. This flybridge cruiser has been owned by the current owner for the past 2 years and is being sold due to a lack of use due the owners current work commitments. It has had approximately five previous owners. It was last out of the water in 2022.

Accommodation

This Princess 330 offers Five berths in two cabins and the saloon. The Forward cabin has an offset double berth to port with an opening deck hatch above and two hanging lockers with storage beneath the berth. Aft of the Forward cabin and to starboard is the heads compartment with marine toilet, wash basin with hot and cold pressurised water and a shower.

Aft of the Heads is a double cabin with a transverse double berth. This cabin is also light and airy has a hanging locker and good storage beneath the berth.

There is a U-shaped galley to port with a gas cooker with grill and oven, galley sinks with hot and cold water, a front loading fridge and vast amounts of stowage.

Steps lead up to the saloon with its helm position to starboard with a double helmsman seat with good all-round visibility. There is U shaped saloon seating to port which can be used as a single berth. There is a saloon with a table and stowage opposite to starboard. The blue saloon upholstery is in good condition as is the carpets. This boat has a real cosy feel to it which is added to by the Webasto diesel cabin heating.

The large patio style door leads out to the aft cockpit with seating and a cockpit table which provides a great entertaining space. It has a full aft cockpit enclosure. Steps lead from the cockpit to the flybridge which has seating for four people.
