Mechanical and Rigging

Mechanical Systems:

This boat has a 2005 Yamaha 80hp 4 stroke outboard which has been used for 250 hours. There is also 2013 a 4hp Yamaha auxiliary outboard which has hardly been used. The outboard is controlled by a twist hand control. It has a fixed 3 blade propeller. Fuel is stored in a 100L plastic fuel tank. This Marlin 16 will cruise at 28 knots and has a maximum speed of 32knts. Both engines were last professionally serviced in July 2023 by the local marina. Full service history available.

Electrical Systems:

This rib is fitted with 1 x 12v battery that is charged by engine alternator.

Inventory

Deck Equipment:

- Anchor - Fluke with 50m of Chain/Warp
- Full sundeck cushions with removeable panel that fits between front seats to make a flat platform at the bow.
- Boarding Ladder
- Fenders x 4
- Mooring Warps x 4

- Paper Charts - some

Safety Equipment:

- 1 x Fire Extinguisher
- MOB Sling
- Sea Anchor/Drogue
- Electric Bilge pumps

Keel and Hull:

GRP V- hull with Hypalon Tubes

History and Construction

This Marlin 16 Rib with its white GRP Hull and grey Hypalon tubes was built in 2003. It has

been owned by the current owner since 2005 who took it to France in 2012 to be near his property. It has been stored in a dry stack, but is being offered with a Indespension roller coaster braked trailer. The boat could be kept in France as it was there on 31st December 2020 or the owner can arrange for the Rib to be returned to the UK under Returns Goods Relief so that it can be sold as UK VAT paid. The vessel has been well maintained by the local yard and owner.

Disclaimer:

Network Yacht Brokers Kent Ltd has the largest range of boats for sale in Kent. The company normally acts as brokers for the vendor who unless otherwise stated is not selling in the course of a business. Whilst every care has been taken in the preparation of these particulars the correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract. A prospective buyer is strongly advised to check these particulars and where appropriate and at his own expense to employ a qualified marine surveyor to carry out a survey and/or to have an engine trial conducted which if conducted by us shall not imply any liability on our part.

General note on safety equipment: Any safety equipment such as liferaft, fire extinguishers and flares etc., are usually personal to the current owner(s) and if being left on board as part of the sale of a used vessel, may require routine servicing, replacement, or changing to meet a new owner's specific needs.
