### **History & Construction:**

Built in 1995 this Seaquest SJ320 has a white GRP hull and decks with non-slip surfaces with tiller steer connected to a spade rudder, sail drive and fin keel she is designed for speed. This boat was designed by Stephen Jones in 1994 and built by Seaquest Yachts. The vessel is being sold due to the age of the owner. She is coming out of the water in the next few weeks to have her hull polished, anodes changed and to be antifouled.

### **Disclaimer:**

Network Yacht Brokers Kent Ltd has the largest range of boats for sale in Kent. The company normally acts as brokers for the vendor who unless otherwise stated is not selling in the course of a business. Whilst every care has been taken in the preparation of these particulars the correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract. A prospective buyer is strongly advised to check these particulars and where appropriate and at his own expense to employ a qualified marine surveyor to carry out a survey and/or to have an engine trial conducted which if conducted by us shall not imply any liability on our part.

**General note on safety equipment:** Any safety equipment such as liferaft, fire extinguishers and flares etc., are usually personal to the current owner(s) and if being left on board as part of the sale of a used vessel, may require routine servicing, replacement, or changing to meet a new owner's specific needs.

### **Accommodation**

This Seaquest SJ320 offers a total of eight berth, six berths in three cabins, and two extra

berths in the saloon, the owner's cabin is forward with a double berth with storage underneath and wardrobe space on the starboard side.

The Heads located behind the owner's cabin on the port side which can be accessed either from the owner's cabin or the main saloon. The heads consist of a white sink mounted in a vanity unit with both hot and cold pressurised water with shower attachment.

The main saloon has a central folding table with bench seating either side with lifting back rests creating two single beds. The Galley located on the starboard side in front of the guest cabin has storage cupboards, sink with pressurised hot and cold water heated by the engine, two-burner gas hob and oven. The galley also has an integrated coolbox.

This boat also has a navigation area on the port side consisting of electric control switches, navigation table, VHF Radio, chart plotter, depth gauge, Wind direction and speed indicator.

The two guest cabins are located at the aft of the boat on both port and starboard sides under cockpit with double beds.

The companionway leads out to a large aft cockpit for a boat of its size with beach seating to either side and tiller steering and engine controls at the rear of the vessel
