#### Disclaimer:

The company normally acts as brokers for the vendor who unless otherwise stated is not selling in the course of a business. Whilst every care has been taken in the preparation of these particulars the correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract. A prospective buyer is strongly advised to check these particulars and where appropriate and at his own expense to employ a qualified marine surveyor to carry out a survey and/or to have an engine trial conducted which if conducted by us shall not imply any liability on our part.

**General note on safety equipment:** Any safety equipment such as liferaft, fire extinguishers and flares etc., are usually personal to the current owner(s) and if being left on board as part of the sale of a used vessel, may require routine servicing, replacement, or changing to meet a new owner's specific needs.

#### Accommodation

This Hunter Impala offers a total of four berths, two berths in the forward cabin, and two berths in the saloon. The forward cabin consist of double berth with storage underneath and storage space on the starboard side.

The Heads are located behind the forward owner's cabin on the port side, with a white folding sink mounted in a vanity unit and marine toilet.

The main saloon has bench seating either side with lifting back rests for extra storage. The Galley located on the starboard side with storage cupboards, sink with pumped cold water,

two-burner gas hob and oven.

This boat also has a drop-down navigation table on the port side consisting of electric control switches, navigation table, VHF Radio, GPS, and CD/Radio.

The companionway leads out to a large aft cockpit for a boat of its size with beach seating to either side, access to the engine bay, tiller steering and engine controls at the rear of the vessel.
