History & Construction:

This **Sunseeker Tomahawk 37 Mk 1** was built in 1989 and launched in 1990. She has a white GRP hull with red painted stylizing strips. White GRP superstructure and cockpit with Flexi-teak carpet in the cockpit. She has been well maintained with regular periods ashore for annual maintenance. The two engines were completely stripped down and re-built in 2021/22 at a cost of over £21,000. She has been in the ownership of the current owners for the past 22 years and is only being sold as they are retiring from boating. It has had two previous owners. The vessel was last out of the water in September 2023 and was last surveyed for insurance in November 2023. The owner is open to reasonable offers.

Disclaimer:

Network Yacht Brokers Kent Ltd has the largest range of boats for sale in Kent. The company normally acts as brokers for the vendor who unless otherwise stated is not selling in the course of a business. Whilst every care has been taken in the preparation of these particulars the correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract. A prospective buyer is strongly advised to check these particulars and where appropriate and at his own expense to employ a qualified marine surveyor to carry out a survey and/or to have an engine trial conducted which if conducted by us shall not imply any liability on our part.

General note on safety equipment: Any safety equipment such as liferaft, fire extinguishers and flares etc., are usually personal to the current owner(s) and if being left on board as part of the sale of a used vessel, may require routine servicing, replacement, or changing to meet a new owner's specific needs.
