## Mechanical and Rigging

### Mechanical Systems:

This Princess has two Volvo Penta D9, 575HP diesel engines, powering two shaft driven 4 bladed nickel and bronze propellers. The engine was last service in July 2023. The engines are supplied by a 1680-litre fuel tank. These engines are also fitted with an engine and gearbox oil electric pump out and vacuum system, making servicing and oil changes very easy. To make handling easy this boat is fitted with bow thrusters and Trim tabs. Hydraulic steering. The engines have completed approximately 2000 hours as of 26th March 2024.

### Electrical Systems:

The Princess V48 has a 24V system, with 8 x 12-volt batteries (4 x engine + 4 x domestic batteries). These batteries are controlled by Victron battery system with monitors on the Domestic, engine and generator batteries. These batteries are charged from alternator and via 240v shore power system with ring main, immersion heater and battery charger. This princess also has the benefits of having a 7KW Generator with own starting battery and a Victron inverter with automatic changeover.

### **Disclaimer:**

Network Yacht Brokers Kent Ltd has the largest range of boats for sale in Kent. The company normally acts as brokers for the vendor who unless otherwise stated is not selling in the course of a business. Whilst every care has been taken in the preparation of these particulars the correctness is not guaranteed and they are intended as a guide only and do not constitute a part of any contract. A prospective buyer is strongly advised to check these particulars and where appropriate and at his own expense to employ a qualified marine surveyor to carry out a survey and/or to have an engine trial conducted which if conducted by us shall not imply any liability on our part.

**General note on safety equipment:** Any safety equipment such as liferaft, fire extinguishers and flares etc., are usually personal to the current owner(s) and if being left on board as part of the sale of a used vessel, may require routine servicing, replacement, or changing to meet a new owner's specific needs.

## **Accommodation**

The **Princess V48** offers four berths in two cabins, a large saloon and very spacious cockpit with sunbathing area, all of which provides a fantastic entertaining space.

The owner's cabin is forward with a large double island berth with under berth storage and hanging wardrobe on the port side and vanity unit to the starboard side. It has an en-suite heads which has a white sink mounted in a vanity unit with an electric marine toilet. The sink has hot and cold-water and there is a separate walk-in shower.

Aft of the Forward Cabin is the very luxurious saloon with high gloss woodwork with a U-shaped settee to port with a high gloss saloon table that will drop and make into an additional berth if required. The saloon also benefits from 12V TV, Hifi with CD player and Radio.

Opposite the saloon is the extremely well-equipped galley. The Galley located on the starboard side below the helm position with copper canyon worktops, plenty of cupboards and drawer space, sink with pressurised hot and cold water heated by the engine's and a 50L Isotemp stainless steel hot water tank, isotherm clear ice maker, and electric hob. The galley also has a 24v/240v Fridge with ice box and additional sockets. This Princess V48 also has the benefit of two D5 Eberspacher diesel heaters and electric heating throughout as well as a Jabsco quiet variable speed water pump and an updated quiet shower pump.

Aft of the saloon and amid ships is the guest accommodation with hanging wardrobe storage, ensuite with shower, and two single berths. Opposite is the Heads which has a white sink mounted in a vanity unit with a marine toilet. The sink has hot and cold water and a shower.

The companion way steps lead to a very roomy open plan cockpit area with curved seating to the port side behind the helm position with extra seating located on the starboard side opposite the helm. The open plan cockpit also benefits from a 32inch smart TV with Bluetooth connection to the Hifi system, large aft sunbeds, external Galley, BBQ, sink, isotherm clear ice maker, fridge and walk through transom to the bathing platform, tender garage, shore freshwater inlet and access to the engines.

A significant amount of additional luxurious equipment including high quality sound system, full colour change under water lighting, eye lid deck lights, dimmers switches to the lounge, galley and saloon areas. additional battery chargers.
