Accommodation

Manufacturer Provided Description

A cruising yacht must be perfectly designed in order to take the crew to its destination safely.
The HANSE 385 is nicely balanced, has a high degree of stability and can be sailed safely in all weathers. And it can also sail pretty fast as well!

The deck of the HANSE 385 is pleasantly free of lines and fittings, meaning that you have plenty of room to relax at sea and in the harbour.

Hull

- White hull
- Dark grey double waterlines
- Options for different hull colour according to Hanse colour selection
