Bilges, Floor Plates and Motors have all been repainted to reflect the recent extensive works in the engine room space. On Recent Sea Trials, this classic Hatteras showed excellent pedigree.

Inventory

A large inventory of spares are kept on board, we have a pdf list of spares.

Accommodation

A large and spacious interior.
New Carpets throughout and new wood floors in the cabins.
All fixtures and fitting are in a good condition including all exterior cushions, biminis, cockpit windows etc.
Recent paintworks to Fly, cockpit ceiling and sol.

As with most vessels of this age, the new owner would likely upgrade the Navigational electronics.

Remarks :

A rare opportunity to purchase this fine example long range cruiser from the Hatteras

Shipyard.

Recent overhaul of Main Machinery, bilges, floor plates and motors repainted.

With a range of 2800 nautical miles and stabilisers the Hatteras LRC is built to cruise anywhere in comfort with accommodation in 3 cabins for 6 guests and a separate cabin forward for 3 crew.

An impressive full beam engine room with full headroom and walk around access for the twin GM-671 motors and all other main machinery.

Interior has new carpets and cabins have new wood flooring. Cockpit and fly areas recently professionally recoated. Possibility to buy the berth in the beautiful Port Vauban, Antibes.

This vessel has been well loved and with the same owners for 15 years.
