- Stbd PTO pump-new.
- New packing on the shafts.
- Antifoul + propspeed.
- Anodes on the hull-changed.
- Main Engines- Major service May 2022 and engine batteries replaced.

- Stbd Gen.- New.
- Generator port Annual service done.
- New Raymarine Plotter on Flybridge.
- New CCTV system.
- AC Remote controls Installed on the Bridge.
- New Navtex forecast receiver.
- Engine room Bilges repainted.
- Teak deck sanded, re caulked.
- New bowthruster.
- Fire ext, life rafts serviced.
- New Swimming leathers.
- Passerelle Serviced(New remote control).
- New 5G Router Internet.
- New Covers Flybridge.
- Caping rails, Flybridge, Aft table-Varnished.
- Victron screen installed on the Bridge.
- Change of Flag, from Cayman to Poland(Commercial).
- Under the Polish Class.
- Flybridge Crane Serviced.

2019/2020:

- New anchor chains and upgrade to stainless steel anchors on Port and starboard side.
- Main engines serviced
- Anti-fouling, yard period
- Brand new cover on bow seating area
- New windlass on bow. Can be used to retrieve anchor and tie the lines.
- Remote control for bow windlasses. To make deck operation easier for the crew.
- Victron 24VDC/8000W Quattro. To peak shave electric load in the yacht and avoid tripping the shorepower breaker during heavy use.
- Second hot water boiler to increase warwater capacity and redundancy.
- New AC circulation pump (arriving 1 August).
- Entertainment upgrade. Apple TV's in all cabins. Central MacMini that serves as media server.

- Contains 1000+ movies and 20,000+ songs. It is possible to watch 5 different movies at the same time (4 cabins and saloon). Speakers in 3 areas (Saloon, Aft deck, Flybridge) can have individual music sources via central system. Zones can be controlled from the phone.
- New toilet pumps and panels on 2 toilets.
- New starter batteries (4x) for main engines.
- New Kohler 20.5 kW generator.
- Airconditioning added in the Lazarette/Laundry area.
- New LED lighting in Engineroom
- New parasols on flybridge.
- New Gianneschi black water pump.
- New Wifi system. 3x Access Point for strong signal throughout the yacht. Automatic, seamless transfer from 1 access point to the next.
- New starter batteries (2x) for generators.
