Accommodation

The Azimut 46 called Sweete has 3 cabins with 2 bathrooms. The main cabin in mid ship has a double bed and bathroom, The Vip cabin at the bow with a double bed, and a guest cabin with 2 bunk beds and 2 nd bathroom. The galley on this 2004 Azimut 46 is fully equipped, the saloon has a U shape sofa. There is an Aft storage cabin. Both helm layouts on the 46 are excellent.

Remarks :

The Azimut 46 is an exceptional production powerboat capable of speeds up to 34 knots. This Azimut 46 for sale has 3 cabins with 2 bathrooms. The main cabin in mid ship has a double bed and bathroom, The Vip cabin at the bow with a double bed, and a guest cabin with 2 bunk beds and 2nd bathroom. She is perfectly maintained by her one owner on a regular basis. Sweetie is only used to navigate on the coast of Spain and in the Balearics.

The owner is parting with her simply because he is looking for another motor boat where the kitchen isn't below deck for family reasons. The owner even installed an electronic antifouling system enabling the yacht to be clean and quick. Furthermore, the cruising speed of this Azimut 46 is 23 knots with a consumption of 60l/motor/hour. If you are looking for a beautiful modern and quick motor boat, Sweetie is the right choice.
