## Broker Remarks

**Bavaria 44 Cruiser for sale** is an ideal sailing ship for a family cruise. It is fast and can travel long distances thanks to the numerous lockers and the capacity of the water and fuel tanks.

This beautiful **Bavaria 44 for sale** was purchased in 2006 and had a single owner who used the boat only for personal use (never for charter). In particular, he sailed in Formentera only during the month of August (2000h / motor). Before being docked in Valencia, she was docked in Calpe from 2006 to 2017.

The last antifouling treatment on this **Bavaria 44** was done in September 2018, as was the engine overhaul carried out by the Belliure company.
