Accommodation

The Eluan 44 cruiser yacht 2005 has 3 cabins, 2 showers. The galley has a gas cooker, an oven, a grill a freezer and fridge. Just after the galley, you have a big saloon with a big Sofa and a table in the centre can easily accommodate 8 people.

Remarks:

This Eluan 44 from Cantiere di Vedrana has a lovely spacious cockpit which is cleverly arranged making it enjoyable to sail. Moreover, the yacht has a sundeck, unique for a sailing boat this size. This Eluan 44 from 2005 is stable and can sail sharply to the wind with a speed of 8 to 9 knots. Inside it is spacious and beautifully built. She's also a great family cruiser. The yacht was designed by the same architect as Grand Soleil, so you will find some similarities with a Grand Soleil of those years and size. The shipyard stopped making this ship because it was too expensive to build, due to the choice of materials.

If you're looking for a truly unique and beautifully built sailing cruiser then this Eluan 44 is the boat for you.
