Remarks :

The boat that has it all. Yamarin 63 DC is a wonderful combination of driving comfort and care-free recreation with family and friends.

The exceptionally functional open area, first-class handling characteristics, the Yamarin Q system, and many other practical and comfort-adding details make the Yamarin 63 DC a perfect choice for fun summer days on the water.

Including, Yamarin Q a multi-functional on-board computer and infotainment system that combines the boat's instruments, electronic charts, operating manuals, and numerous other useful functions and contents onto a single touchscreen that is clear to read and easy to use. The various engine data from Yamaha outboards are also seamlessly integrated onto the smart display for easy viewing, with the Yamarin app linking it all to your phone.
