

Fjord 30 Flybridge Cabin Cruiser

Year:	1989	Heads:	1
Location:	Portland	Cabins:	1
LOA:	30' 3" (9.22m)	Berths:	4
Beam:	10' 8" (3.25m)	Keel:	Deep V Planing
Draft:	2' 6" (0.76m)	Engines:	2

Remarks:

This example benefits from significant recent expenditure on the steering fully serviced engine and outdrives. Cosmetically there is some need for care and attention from an owner who is prepared to roll up their sleeves. The interior offers a light and airy saloon with 2.08m headroom in the main cabin, whilst a forward cabin and heads complete the accommodation.

£18,000 Tax Paid

Remarks :

The Fjord 30 Flybridge Cabin Cruiser rarely comes to the market and offers a great platform for fast family cruising, fishing or simply spending time onboard enjoying being on the water. The hallmark of Fjord-boats outlined by the manufacturer as 'Safety, Seaworthiness, Reliability, Functionalism, High Standard and Comfort.'

This example benefits from significant recent expenditure on the steering fully serviced engine and outdrives. Cosmetically there is some need for care and attention from an owner who is prepared to roll up their sleeves. The interior offers a light and airy saloon with 2.08m headroom in the main cabin, whilst a forward cabin and heads complete the accommodation. the large cockpit offers the opportunity for canopies to provide additional sheltered living space, whilst the flybridge provides an excellent steering position with excellent sightlines.
