Chart storage compartment  
Bookshelf  
Red reading light

Remarks :

A classic cruising yacht, designed by Tony Castro. First built in 1987 until 1991, the Sun Dream 28 proved to be a popular model. Very popular accommodation layout, with a separate fore and aft cabin. Could benefit from the headlining being sorted out and a cosmetic clean. Overall a great boat with a little amount of work needed to be completed on it.
