Remarks :

Dragonfly are the leading high performance luxury cruiser in the Trimaran market. This Dragonfly 1000 comes equipped with high quality deck gear throughout, Anderson winches, New windlass, standing rigging and many other recent expenditures. The offer of fast and exhilarating sailing on a stable platform whilst having cruising comforts on hand is a combination rarely achieved.

This Dragonfly 1000 has been recently cruised and successfully put through her paces, the current owner achieving 16knots cruising whilst fully laden. Despite some maintenance jobs to complete to get the boat seaworthy again, this is a boat that has given the owners many hours of speedy cruising and delight.

Seller motivated as already bought new boat.
