2 x settee berths
Manual bilge pump
Plastimo oven - 2 x burners, grill & oven
Refrigerator
Marine head
Hot water
Radio / cassette player

Remarks :

Hillyard 13 Ton Ketch for sale. Designed and built by David Hillyard in 1977. "Lucy Maud" is 37ft traditional cruising yacht constructed with an Iroko wood hull with oak timbers and fibre glass sheathed ply decks, Iroko/Mahogany superstructure, and long iron keel. She is ketch rigged with two furling headsails, battened mainsail and powered by a Perkins M65 engine (2001).

Lucy Maud is well equipped and extremely well maintained. Her maintenance history is well documented and this yacht is well known within the Hillyard owners community.

Lucy Maud is sadly for sale as her owner has passed. In the brokers opinion, she is a beautiful, well built yacht which is sure to turn heads wherever she sails. Viewing is highly recommended.
