

Najad 331

Year: 2000
Location: Titchmarsh Marina, W
LOA: 32' 9" (9.98m)
Beam: 10' 8" (3.26m)
Draft: 5' 7" (1.70m)

Remarks:

Najad 331 for sale. The boat is in excellent condition and offers an ongoing performance. The Najad 331 is a classic design, known for her performance and reliability. Like several of her sisterships, she has been current with her maintenance, including a new keel and a new loa system, and she retains her slab reefing system.

1,000 Tax Paid

2 x single berths
Electric bilge pump
Manual bilge pump

Oven
Refrigerator
Marine head
Hot water
Heating

Remarks :

Najad 331 for Sale. High standard Scandinavia build quality and potential for ocean going performance. The Naiad 331 is a lovely boat to sail, with clean lines and a very comfortable interior.

Grebe V (like several of her sisterships) was originally owned and operated as a training yacht for the German army, however she has been current ownership for the last 11 years. The current owner fitted a furling genoa system, and she retains her slab reefing mainsail. there are two additional hank on genoa's and second forestay if required.

Whilst the interior of this boat is in super condition, it can be seen from the attached photo's the exterior requires a clean and polish which will be completed shortly. the teak deck is showing a few screw heads, but generally in the brokers option, this is a lovely yacht, sensibly priced and only for sale as the owner is retiring from sailing due to age. Viewing is recommended.
