Remarks :

Macgregor 26 for sale. Built in 1996, the American built Macgregor 26 is described as a "trailerable" and versatile power sailer.

With the ability to deploy a lifting keel and fractional sloop rig and a water ballast system, the Macgregor 26 will sail comfortably, but lift the keel, lower the rig, and the 50hp Honda outboard will enable you to pull a waterskier and be used as a motor boat.

The interior is open plan and very functional and will sleep up 6. The boat has full cockpit seating, chemical toilet and road trailer is included too.
