1 x Double Berth

Sony Radio / Bluetooth(new 2021)

CD player

Remarks :

Mariah Shabah 238 for sale. Built in 2000, "Honeybunch" is a delightful example of this American sports cruiser. Powered by a Petrol Mercruiser 5.0 ltr V8, this boat has the performance to match her good looks.

The current owner purchased "Honeybunch" just over a year ago but has since decided to buy a larger boat, he has renewed all the cockpit upholstery, new tonneau cover, serviced the engine, the exterior has been professionally cut and polished with all new modern graphics too. The boat looks fantastic and is in super condition throughout. There is a cuddy cabin below with dinette area which converts to a double berth, and small sink also included. Ideal for an overnight or weekend.

In the broker's opinion, "Honeybunch" presents in beautiful condition and is fully serviced and ready to go. Viewing is highly recommended
