Ritchie Compass
Cockpit Cover
Electric Bilge Pump
Swimming Ladder
Road Trailer - D.G. Trailers; Twin Axle; Unbraked

Accommodation

1 x double berth

Remarks :

Sunseeker Mexico 24 for sale. Believed to be built in 1996. "Alcofrolic" is a part complete boat. She does not currently have an engine or sterndrive, therefore allowing the purchaser to re-engine the boat as they see fit.

As seen from the photo's, the boat presents in good order, she had new cockpit cushions a few years ago which have been dry stored, the hull appears in very good condition too, and the road trailer and tonneau cover are also included.

Alcofrolic has been priced to reflect she needs further investment to complete the boat, but once completed this will be a wonderful classic Sunseeker.
