## Remarks :

Saga 36 Sailing Yacht for sale. Built by Hanseatic in 1979 and designed by Alan Pape. The Sage 36 is a superb bluewater cruiser.

"Bluewaters" had a major refurbishment in 2009 and has benefitted from an experienced yacht owner who has continued to upgrade and maintain the yacht to an exceptionally high standard. The accommodation can sleep up to 7 people with good storage facilities, a superb engine room and many creature comforts such as heating, hot water etc. The Bermudan cutter rig enables a powerful sail plan that is able to be sailed short handed.

In the broker's opinion, "Bluewaters" really has been maintained to an exceptionally high standard, as well as being a practical sea boat, she has great lines and is a joy to sail. Viewing is highly recommended.
