Remarks :

Dutch barge 15m for sale. Built as a live aboard boat. "Tullis" was built in 2015 by Bluewater Boats Ltd to an Andrew Wolstenholme design and commissioned in 2016. The hull, deck and superstructure are constructed from steel, the interior finished in a beautiful ash wood.

The accommodation offers a very spacious light and bright main saloon area, which also houses the inside helm position. There are 6 berths in 3 cabins, comprising of 2 doubles and 1 twin berth. The boat is powered by a single Duetz DT 66 170hp Diesel engine (704 hours)
Equipment consist of bow thruster Kohler 9kva generator (690 hours) fully equipped galley, central heating, fridge freezer, Raymarine instruments. The list goes on.

In the brokers opinion, "Tullis" presents in beautiful condition and makes for an extremely comfortable and manageable live aboard boat. Viewing is highly recommended.
