Remarks:

Seamster 925 for sale. Built in 1979. GRP construction with sloop rig, Volvo MD7A 13.5HP diesel engine rebuilt in 2022. 6 berths in two cabins. In the brokers opinion, "Yardarm" presents very well, and is exceptionally good value for money. The yacht is clean and tidy and appears well maintained. She is a little light in terms of navigation equipment, and this has been reflected in the price but this represents an opportunity to modernise the electronics
