Equipment includes (2021) B & G and Raymarine Navigation equipment, new standing and running rigging (2021). Bow thruster, heating, flat screen tv, electric anchor windlass, hot and cold water, microwave and much more.

In the brokers opinion, "Gnutcracker" is an absolute super example of this popular cruising boat. She appears to have been meticulously maintained and updated by her current owner. The list of upgrades and improvements especially in the last two years is very extensive. Only for sale due to sad and unexpected circumstances. Viewing is highly recommended.
