Broker Remarks

Classic schooner for sale! 'Comus' was built by James Husk of Wivenhoe, Essex in 1882. She is a unique twin masted schooner with a single Gardner diesel engine. This beautiful classic has been under the same ownership for the last 50 years. There are historic records and documents from Lloyds to verify her history.

It is fair to say that Comus is now requiring some repair and renovation and has been priced accordingly. The owner is open to offers. Contact us today for further details and to arrange a viewing!
