Broker Remarks

Jaguar 25 sailing yacht for sale. 'Kari Jane' is a nice and simple example of this good little sailing boat. The fin keel provides good performance, yet, with a draft of only 1.19m is so suitable for the East Coast UK. She features an 8hp Yamaha outboard/inboard engine which was serviced in 2018. The owner has made a good little modification to the sleeping arrangement within the saloon which enables the table to be lowered and provides a full-width berth. In the broker's opinion this would make a good first boat, not overly complicated but rewarding to sail and value for money.
