Accommodation

Remarks :

Haber 620 sloop sailing yacht for sale. New to the market is this delightful swing keel, gaff rigged trailer sailer yacht built in 2018 and presented in super condition. She has had one owner since new.

"Whisper II" has been set up for single handed sailing, all control lines lead aft, she has a furling genoa, a gaff rigged ketch, mainsail with lazy jacks and an additional Harken winch to ensure the mainsail is easily raised from within the cockpit.

For a boat that is only 6.1m LOA, she has 1.83m standing head room inside, she features a very light and airy interior with light oak joinery. The accommodation is fantastic for a boat of this size and features a separate w.c., Galley with single burner stove and sink, a double v berth forward, and a dinette area which also converts to a double too. A good size wet locker and storage throughout.

Whisper II has been copper coated, she has an additional custom made bow anchor roller, Garmin GPS/plotter, Standard Horizon VHF, and much more. Please note a trailer is not supplied with this yacht but quotations could be supplied if required.

In the brokers opinion Whisper II has been extremely well maintained by the owner, who is only selling due to a change in circumstances. There is also a great review from Practical Boat Owner about the Haber 620, Copy available upon request. The broker has no hesitation to recommend viewing this wonderful little yacht !

More details and photo's to follow soon.
