Owners Comments

Hermit 2 has been a much-loved family boat for almost 15 years. She has kept us safe and comfortable as we have cruised the south coast with our 2 sons. We have aimed to keep her well maintained and cared for as well as completing regular, ongoing upgrades to equipment and sails through her time with us. Sadly, the time has come to sell Hermit as the boys are moving onwards and upwards and we aim to do more of our sailing further afield.

Photographed without a spring clean or removal of personal items due to lockdown. Teak deck features, propeller clean, replacement of propeller anode and winch clean and annual maintenance will be completed before sale. Sprayhood at owner's home for cleaning.

Non-matching areas of cabin sole are hatches to engine sea-cock – upside down to as reminder they the seacock is off.
