Bills of Sale showing 5 years clear title
Evidence of UK VAT status
SSR Registration certificate

Owners Comments

This 39' Colin Archer Motorsailor is a fine bluewater cruiser that has had a comprehensive refit during 2020.

Originally built in 1995, Maverick had a refit in the winter of 2006/2007 when a new rig was installed together with a new Beta Marine 75HP diesel engine. The yacht is fitted out below with a solid mahogany interior.

The recent refit has involved a complete overhaul of the rig together with new standing and running rigging. New winches have been fitted together with a complete deck repaint. The hull has been recently antifouled, the engine fully serviced and the wheelhouse, saloon and fore-cabin have been renovated.

A new diesel-fuelled hot air system has been installed throughout the yacht.
